Museum information

Over the last few month's we have been gifted lots of new artifacts and information, we are in the process of moving displays around and adding new displays and creating an additional museum room.

As you can imagine all this takes time and as we are such a busy venue can only be completed a little at a time, but hopefully on your next visit you will see the changes that have been made

If you would like to arrange a talk with the team, please ring the museum for more details.

If your group would like an afternoon cream tea, tour of the museum and talk at a cost of £18.00 per person please give Tricia a ring to check for availability.

If you would prefer a hot meal, we can also provide this as we have a vast choice on our menu.
