

## Be a Museum Curator for a day

Offered as a full-day session

### Activity

Each session will be led by a representative from the Helena Thompson Museum.

Using real items (some replicas) from the Museum Archive, find out what a Museum Curator does and step into their shoes for a day. Find out where to find artefacts and specimens.

Join the team at The Helena Thompson Museum.

- Choose a topic, select your items for your display and find out more information about them.
- How old is the object?
- Where or how was it used?
- Is the object of local interest?
- Why do you need to wear 'white gloves' when handling some artefacts?
- Choose an item to show and talk about to the other groups.
- Plan and create an Exhibition where you can display the artefacts.

Each child will receive a Certificate.

Children's Lunch: A traditional lunch is included for each child. (Adults to pre-book please - at extra cost)

During the day, each visiting group will be split into four to take part in the activities; can we therefore please have at least four members of staff to accompany the group? Thank you.

Sessions are available from September to July (excluding November & December). Please telephone The Museum Manager, Tricia Poole on 01900 64040 for available dates and a copy of a more detailed information sheet.
